Persons who are not resident in Ireland or the United Kingdom, or who are subject to laws of any jurisdiction other than Ireland or the United Kingdom, should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in Ireland or the United Kingdom to vote their PTSBGH Shares with respect to the Scheme at the Scheme Meeting, or to appoint another person as proxy to vote at the Scheme Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with any applicable legal or regulatory requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise required by the Takeover Rules, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Scheme by any such use, means, instrumentality or from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Copies of this Scheme Document and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including, without limitation, custodians, nominees and trustees) must not mail or otherwise forward, distribute or send it in or into or from any Restricted Jurisdiction. Notice to US Shareholders in PTSBGH

The Acquisition relates to the shares of an Irish company and is being made by means of a scheme of arrangement provided for under Irish company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Securities Exchange Act of 1934, as amended. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in Ireland for a public acquisition by scheme of arrangement, which differ from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this Scheme Document has been prepared in accordance with IFRS and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

It may be difficult for US shareholders of PTSBGH to enforce any rights or claims arising out of US federal laws, since BAWAG PSK and PTSBGH are organised and located in non-US jurisdictions, and some or all their officers and directors may be residents of non-US jurisdictions. US shareholders of PTSBGH might not be able to sue a non-US company or its officers or directors in a non-US court for violations of US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to the jurisdiction and judgment of a US court.

US shareholders also should be aware that the transaction contemplated herein may have tax consequences in the United States and that such consequences, if any, are not described herein. US shareholders are urged to consult with legal, tax and financial advisers.

In accordance with, and to the extent permitted by, the Irish Takeover Rules and normal Irish and UK market practice, GSI and Davy and their respective affiliates may continue to act as exempt principal traders in PTSBGH Shares on

the London Stock Exchange and on Euronext Dublin and may engage in certain other purchasing activities consistent with their usual practice and applicable law. In addition, in compliance with the Irish Takeover Rules, BAWAG PSK, certain affiliates or its respective nominees or brokers (acting as agents) may from time to time make certain purchases of, or arrangements to purchase, PTSBGH securities other than pursuant to the Acquisition, either in the open market at prevailing prices or through privately negotiated purchases at negotiated prices. Any information about such purchases will be disclosed to the Irish Takeover Panel and, to the extent that such information is required to be publicly disclosed in Ireland in accordance with applicable regulatory requirements, will be made available via a Regulatory Information Service on the websites of Euronext Dublin (www.euronext.com) or the London Stock Exchange (www.londonstockexchange.com).

Statements made in this Scheme Document

The statements contained in this Scheme Document are made as at the date of this Scheme Document, unless some other time is specified in relation to them, and service of this Scheme Document shall not give rise to any implication that there has been no change in the facts set forth in this Scheme Document since such date. Nothing in this Scheme Document shall be deemed to be a forecast, projection or estimate of the future financial performance of PTSBGH, the PTSBGH Group or the BAWAG Group (or any member of any of the foregoing) except if and where otherwise stated.

Cautionary Statement Regarding Forward-Looking Statements

This Scheme Document (including information incorporated by reference in this Scheme Document), oral statements made regarding the Acquisition and other information published by BAWAG, BAWAG PSK or PTSBGH contains certain forward-looking statements with respect to BAWAG, BAWAG PSK and PTSBGH. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of BAWAG, BAWAG PSK or PTSBGH about future events and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as “anticipate”, “target”, “expect”, “estimate”, “intend”, “plan”, “believe”, “will”, “may”, “would”, “could” or “should” or other words of similar meaning or the negative thereof. Forward-looking statements include statements relating to the following: (i) future capital expenditures, expenses, revenues, economic performance, financial conditions, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of the operations of the BAWAG Group or the PTSBGH Group; and (iii) the effects of government regulation on the business of the BAWAG Group or the PTSBGH Group.

These forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of any such person, or industry results, to be materially different from any results, performance or achievements expressed or implied by such forward-looking statements. These forward-looking statements are based on numerous assumptions regarding the present and future business strategies of such persons and the environment in which each will operate in the future. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. All subsequent oral or written forward-looking statements attributable to BAWAG, BAWAG PSK or PTSBGH or any persons acting on their behalf are expressly qualified in their entirety by the cautionary statement above. None of BAWAG, BAWAG PSK nor PTSBGH undertakes any obligation to update publicly or revise forward-looking or other statements contained in this Scheme Document, whether as a result of new information, future events or otherwise, except to the extent legally required. This statement is included for the purpose of invoking “safe harbor provisions”.

No profit forecasts or estimates

No statement in this Scheme Document is intended as a profit forecast or estimate for any period and no statement in this Scheme Document should be interpreted to mean that earnings or earnings per share, for BAWAG, BAWAG PSK or PTSBGH, respectively for the current or future financial years would necessarily match or exceed any historical published earnings or earnings per share for BAWAG, BAWAG PSK or PTSBGH respectively. No statement in this Scheme Document constitutes an estimate of the anticipated financial effects of the Acquisition.

Rule 8 – Dealing Disclosure Requirements

Under Rule 8.3(b) of the Irish Takeover Rules, any person “interested” (directly or indirectly) in 1% or more of any class of “relevant securities” of PTSBGH must disclose all “dealings” in such “relevant securities” during the “offer period”. The disclosure of a “dealing” in “relevant securities” by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (Irish time) on the “business day” following the date of the relevant transaction. This requirement will continue until the “offer period” ends. If two or more persons cooperate on the basis of any agreement either express or tacit, either oral or written, to acquire an “interest” in “relevant securities” of PTSBGH, they will be deemed to be a single person for the purpose of Rule 8.3 of the Irish Takeover Rules. A dealing disclosure must contain the details specified in Rule 8.6(b) of the Irish Takeover Rules, including details of the dealing concerned and of the person’s interests and short positions in any “relevant securities” of PTSBGH.

All “dealings” in “relevant securities” of PTSBGH by a bidder, or by any party Acting in Concert with a bidder, must also be disclosed by no later than 12 noon (Irish time) on the “business day” following the date of the relevant transaction. If two or more persons co-operate on the basis of an agreement, either express or tacit, either oral or written, to acquire for one or more of them an interest in relevant securities, they will be deemed to be a single person for these purposes.

Disclosure tables, giving details of the companies in whose “relevant securities” and “dealings” should be disclosed, can be found on the Irish Takeover Panel’s website at www.irishtakeoverpanel.ie.

“Interests” in securities arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an “interest” by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks in this section are defined in the Irish Takeover Rules, which can also be found on the Irish Takeover Panel’s website. If you are in any doubt as to whether or not you are required to disclose a dealing under Rule 8, please consult the Irish Takeover Panel’s website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel on telephone number +353 1 678 9020.

Right to switch to a Takeover Offer

BAWAG PSK reserves the right to elect, subject to the terms of the Transaction Agreement, compliance with the Irish Takeover Rules and with the consent of the Irish Takeover Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued share capital of PTSBGH (other than any PTSBGH Shares beneficially owned by BAWAG PSK (if any)) as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to paragraph 6 of Part III (*Explanatory Statement*) of this Scheme Document and in the Transaction Agreement.

ACTION TO BE TAKEN

For the reasons set out in this Scheme Document, the PTSBGH Board unanimously recommends that PTSBGH Shareholders vote in favour of the Acquisition and all of the Resolutions, as they have irrevocably committed to do in respect of their own beneficial holdings of PTSBGH Shares, and that you take the actions described below.

Meetings to be held on 30 July 2026

The Scheme is subject to approval by the PTSBGH Shareholders at the Scheme Meeting. The Scheme Meeting of the PTSBGH Shareholders which will be held at The Conrad Hotel, Earlsfort Terrace, Dublin 2, D02 V562, Ireland at 10.00 a.m. on 30 July 2026.

In addition to approval at the Scheme Meeting, implementation of the Scheme also requires various approvals by PTSBGH Shareholders at an extraordinary general meeting (the **EGM**) to be held at The Conrad Hotel, Earlsfort Terrace, Dublin 2, D02 V562, Ireland at 10.15 a.m. on 30 July 2026 or, if later, immediately after the conclusion or adjournment of the Scheme Meeting.

Once the Scheme becomes Effective it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted in favour or at all at the Scheme Meeting or the EGM (and if they attended and voted, whether or not they voted in favour). Provided the Scheme becomes Effective, Scheme Shareholders will receive their Consideration without having to take further action.

RECOMMENDED CASH OFFER

FOR

PERMANENT TSB GROUP HOLDINGS PLC
BY

BAWAG P.S.K. BANK FÜR ARBEIT UND WIRTSCHAFT UND ÖSTERREICHISCHE POSTSPARKASSE
AKTIENGESELLSCHAFT

A WHOLLY OWNED SUBSIDIARY OF BAWAG GROUP AG

TO BE IMPLEMENTED BY WAY OF A SCHEME OF ARRANGEMENT UNDER CHAPTER 1 OF PART 9 OF
THE COMPANIES ACT 2014

Dear PTSBGH Shareholder,

On 14 April 2026, the management board of BAWAG P.S.K. Bank für Arbeit und Wirtschaft und Österreichische Postsparkasse Aktiengesellschaft (**BAWAG PSK**) and the board of directors of Permanent TSB Group Holdings plc (**PTSBGH**) announced that they had reached an agreement on the terms of a cash offer by BAWAG PSK, a wholly owned subsidiary of BAWAG Group AG (**BAWAG**), which has been unanimously recommended by the PTSBGH Board, pursuant to which BAWAG PSK or the Designated Nominee, will acquire the entire issued share capital of PTSBGH. This marks the successful conclusion of PTSBGH's rigorous and competitive formal sale process, with a highly attractive cash offer delivering compelling value for PTSBGH Shareholders.

The purpose of this letter is to explain the background to the Acquisition and the reasons why the PTSBGH Board, which has been so advised by Goldman Sachs International (**GSI**), considers the terms of the Acquisition to be fair and reasonable. In providing its financial advice, GSI has taken into account the PTSBGH Board's commercial assessment of the Acquisition. Accordingly, the PTSBGH Board unanimously recommends that you vote in favour of the Acquisition. The Acquisition will be effected by way of a Scheme of Arrangement under Chapter 1 of Part 9 of the Act, the terms of which are set out in Part IV (*Scheme of Arrangement*) of this Scheme Document. The Acquisition and the Scheme are subject to the conditions and further terms set out in Part V (*Conditions and further terms of the Acquisition and the Scheme*) of this Scheme Document.

It is anticipated that, subject to the satisfaction or waiver of these conditions, approval of the Acquisition by the High Court will be sought during Q4 2026 or Q1 2027.

1 Terms of the Acquisition

The Scheme is set out in full in Part IV (*Scheme of Arrangement*) of this Scheme Document. Under the terms of the Acquisition, PTSBGH Shareholders will be entitled to receive:

for each PTSBGH Share: €2.97 in cash

The Acquisition represents a premium of approximately:

- 26% to PTSBGH's undisturbed closing share price of €2.35 per PTSBGH Share on 29 October 2025 (being the last Business Day prior to the announcement of the commencement of the formal sale process of PTSBGH on 30 October 2025);
- 33% to the volume-weighted average of €2.23 per PTSBGH Share for the three-month period ended on 29 October 2025;
- 45% to the volume-weighted average of €2.05 per PTSBGH Share for the six-month period ended on 29 October 2025;
- 71% to the volume-weighted average of €1.74 per PTSBGH Share for the twelve-month period ended on 29 October 2025; and
- 93% to the closing price of €1.54 on 14 April 2025 (being the share price one-year prior to the date of the Rule 2.7 Announcement).

The Consideration will not be reduced by the amount of the FY25 Dividend which was approved by PTSBGH Shareholders at PTSBGH's 2026 AGM on 8 May 2026 and will be paid to PTSBGH Shareholders on or around 19 May 2026. For the avoidance of doubt, the FY25 Dividend, when paid, will be paid in addition to and separately from the Consideration.

If on, or after, the date of the Rule 2.7 Announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of capital is announced, declared, made or paid or becomes payable in respect of the PTSBGH Shares, other than the FY25 Dividend, BAWAG PSK reserves the right to reduce the Consideration by an amount per PTSBGH Share up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in the Rule 2.7 Announcement or this Scheme Document to the Consideration will be deemed to be a reference to the Consideration as so reduced.

To become Effective, the Scheme requires, amongst other things, the approval at the Scheme Meeting (or any adjournment thereof) by PTSBGH Shareholders holding at least 75% in value of the Scheme Shares held by such PTSBGH Shareholders at the Voting Record Time who are present and voting either in person or by proxy or in any other manner permitted by law at the Scheme Meeting.

In addition to the Scheme Meeting, an EGM will be held directly after the Scheme Meeting in order to seek the approval of PTSBGH Shareholders to the resolutions relating to the implementation of the Scheme.

Pursuant to Clause 3.7 of the Transaction Agreement, BAWAG PSK has designated its parent company, BAWAG, to acquire the Scheme Shares upon the Scheme becoming Effective (BAWAG, in that capacity, being the Designated Nominee for the purposes of this Scheme Document).

2 Background to and reasons for recommending the Acquisition

2.1 Information on and relationship between PTSBGH and PTSB

Permanent TSB Group Holdings plc (**PTSBGH**) is a public limited company incorporated in Ireland, having its registered office at 56-59 Saint Stephen's Green, Dublin 2, D02H489, Ireland and registered number 474438. PTSBGH is listed on the regulated market of Euronext Dublin and the Main Market of the London Stock Exchange, and is the financial holding company (within the meaning of Regulation 3(1) of SI 158 2014) of Permanent TSB plc (**PTSB**). PTSB, trading as PTSB and PTSB Asset Finance, having its registered office at 56-59 Saint Stephen's Green, Dublin 2, D02H489, Ireland and registered number 222332, is regulated by the Central Bank of Ireland.

2.2 Background to the Formal Sale Process

PTSB is the third largest bank in Ireland, and it is well positioned as the leading challenger to the two main incumbents, with c.1.3 million customers and a nationwide branch footprint. PTSB has a compelling strategic position, having undergone a significant transformation in recent years, demonstrating strong business and financial performance and continued growth in its balance sheet and customer base, supported by a refreshed customer-focused brand. PTSB has returned to profitability and strengthened its capital position, and is well poised to execute its three-year strategy, with strong momentum.

In the months leading up to the commencement of the formal sale process, PTSBGH saw a significant increase in appetite for its shares from international investors (along with unprecedented demand for its Green Tier 2 issuance) – this was against a backdrop of increased consolidation activity in the European banking sector.

Consequently, the PTSBGH Board, with the support of the Minister for Finance of Ireland (the **Minister**), as its largest shareholder, concluded that it was the right time to seek a new owner to support the next phase of PTSBGH's growth and strategic development, under the framework of a formal sale process in accordance with the Irish Takeover Rules. The PTSBGH Board believed that such a process would identify a new long-term owner of PTSBGH, one which, subject to agreeing terms satisfactory to the PTSBGH Board and requisite shareholder approval, could be value creative for shareholders and beneficial for customers and colleagues. Furthermore, in considering the best interests of PTSBGH Shareholders, the PTSBGH Board believed that the formal sale process would be the most effective and efficient way for the Minister to exit their shareholding in PTSBGH.

PTSB's operations, products and services have been unaffected by the formal sale process, and PTSB continues to support and service customers as normal. PTSB is an important part of the retail banking market in Ireland and wider Irish economy, and its continued sustainable growth is critical to ensuring competition in the market and providing choice to consumers. PTSB is well positioned to continue delivering sustainable commercial and profitable growth, as it grows its presence in the Irish market and diversifies its business model, including because:

- **FY25 results and IRB delivery:** PTSB delivered a strong set of full-year results for 2025, with deposits increasing by 6%, over 3% growth in the mortgage book and its Business Banking (SME and Asset Finance) portfolio increasing by 9%, resulting in an upgrade to earnings guidance. PTSB's application to the Central Bank of Ireland to use its new IRB Mortgage Models (the **Models**) was also approved. The Models became operational from 30 January 2026, and materially reduced PTSB's risk weighted assets such that PTSB raised its RoTE targets for 2027 and 2028 from c.9% and c.11% to >10% and c.13% respectively;
- **A refreshed business strategy and a contemporary, customer-focused brand:** PTSB launched a refreshed business strategy to the market in March 2025 that focuses on deepening customer relationships, diversifying income and differentiating through customer experience. The implementation of this business strategy has been supported by the recent overhaul of PTSB's brand, repositioning PTSB as a full service, customer-focused personal and business bank;
- **Scaled business with income diversification and future growth opportunities:** The acquisition of certain Ulster Bank assets added c.€6.7bn of performing loans, 25 branches and a strengthened business banking franchise. This acquisition, combined with increased organic growth, has elevated PTSB to a share of c.20% of new mortgage lending and a mid-single digit share of business lending, along with an enlarged community presence through a nationwide branch network. The exit of Ulster Bank and KBC also added meaningfully to PTSB's current account base. PTSB has c.1.3 million customers and competes as a full-service personal and business bank with potential for future growth and income diversification across retail, SME and asset finance markets;

- **Strong balance sheet and conservative risk profile:** With a pro-forma Common Equity Tier 1 (CET1) capital ratio of 17.5%, NPLs of 1.4%, provisions to loans of 1.4% and a loan-to-deposit ratio of 87%, PTSBGH has an exceptionally strong balance sheet, with potential further capital optimisation opportunities in the near-term via the ongoing IRB model review. This provides resilience as well as flexibility to reinvest or return capital;
- **Debt Rating upgrades:** Fitch upgraded PTSBGH's senior rating to 'Investment Grade' in early 2024, while Moody's further reinforced its 'Investment Grade' rating on PTSBGH in September 2024 with a one notch upgrade to Baa1. In May 2025, Fitch upgraded the rating on PTSBGH by one notch to BBB, further cementing PTSBGH's investment grade status;
- **Modern multi-channel franchise post significant investment:** A multi-year investment programme in technology and digital capabilities, payments infrastructure and customer channels (voice, digital and branch) has enabled PTSB to deliver enhanced customer journeys, and improved efficiency and service levels, which will continue to drive greater income diversification in the years ahead;
- **Experienced management team and skilled workforce:** Well tested and experienced management team with significant transformation and M&A experience. Skilled employee base across front and back-office functions, branches, contact centres, technology, finance, operations, and central support. This includes newly acquired and specialist expertise in data, technology, sustainability, product and business development, underpinned by strong customer relationships;
- **Earnings momentum and returns improvement:** Enlarged scale, margin tailwinds, falling costs and a stable credit environment are supportive of stronger profitability and improving returns;
- **Supportive Irish macro-economic environment and demographics:** Ireland is one of Europe's fastest growing economies, with domestic demand forecast to expand c.2-3% annually. A young, well-educated and expanding population, underpinned by strong net inward migration, continues to drive structural demand for housing, mortgages, and banking services; and
- **Favourable market structure underpins attractive margin dynamics:** Net interest margins are set to benefit from reduced deposit costs, a repricing of maturing fixed rate mortgages, a change in mix towards higher yielding business lending and the normalisation of wholesale funding costs.

2.3 Overview of the Formal Sale Process

The formal sale process commenced on 30 October 2025 and has involved an extensive global outreach to solicit possible offers for PTSBGH to a wide range of potential buyers, including financial institutions, strategic investors and financial sponsors. The first phase of the process involved the provision of a limited amount of confidential information on PTSBGH to interested parties, including an information memorandum and access to a preliminary virtual data room, as well as meetings with the senior PTSB management team.

In early February 2026, the PTSBGH Board received six non-binding proposals from strategic and financial buyers to acquire the entire issued share capital of PTSBGH. Four parties were invited into the next phase of the process (of which, two formed a consortium), which included access to a detailed virtual data room and comprehensive management presentation. In late March 2026, the PTSBGH Board received three revised non-binding final proposals, and PTSBGH (and its advisers on its behalf), continued negotiations with the two most competitive bidders until the middle of April, following which BAWAG PSK's proposal was considered the most attractive.

The PTSBGH Board remains confident in the prospects of PTSB, and the resulting value opportunity for all shareholders. However, the PTSBGH Board has carefully assessed the BAWAG PSK proposal and the Acquisition against several criteria, including:

- the value from delivery of the strategy and forecasts for PTSB, including in the context of the broader operating environment in the Irish banking sector;

- execution risk and upsides from delivery of the PTSB strategy, compared to the certain value offered by BAWAG PSK;
- an assessment of both fundamental value as well as market-based value, reflecting valuation levels for the Irish banking sector as of now and over time; and
- the feasibility of delivering other strategic outcomes for PTSB.

2.4 Rationale for PTSBGH Board recommendation

Accordingly, the PTSBGH Board has unanimously concluded that the Acquisition is in the best interests of PTSBGH Shareholders. In reaching this conclusion, the PTSBGH Board considered the following factors:

- that, in the context of the formal sale process, BAWAG PSK's offer is at a higher value than that of other bidders, following a fully marketed process;
- that the Acquisition would allow PTSBGH Shareholders to realise the fundamental value from delivery of PTSB's stand-alone strategy on an accelerated basis in cash (as opposed to uncertain delivery over time);
- that the offer price of €2.97 per PTSBGH Share represents a premium of:
 - 26% to PTSBGH's undisturbed closing share price of €2.35 per PTSBGH Share on 29 October 2025 (being the last Business Day prior to the announcement of the commencement of the formal sale process of PTSBGH on 30 October 2025);
 - 33% to the volume-weighted average of €2.23 per PTSBGH Share for the three-month period ended on 29 October 2025;
 - 45% to the volume-weighted average of €2.05 per PTSBGH Share for the six-month period ended on 29 October 2025;
 - 71% to the volume-weighted average of €1.74 per PTSBGH Share for the twelve-month period ended on 29 October 2025; and
 - 93% to the closing price of €1.54 on 14 April 2025 (being the share price one-year prior to the date of the Announcement).
- that, as an established pan-European and US banking group with deep knowledge of the banking sector, the BAWAG Group is well positioned to support the next phase of PTSB's growth, while strengthening its role as a pillar bank in the Irish retail banking market;
- that BAWAG is confident that the combination would create a highly credible competitor to the two major Irish banks, with a strong foundation of a larger banking group with deep expertise that is well experienced in retail and SME banking;
- that BAWAG believes the acquisition has the potential to deliver significant benefits for customers, combining BAWAG's scale and capability with PTSB's deep roots in Irish communities to deliver an even stronger customer experience through greater choice, improved service and continued innovation;
- that BAWAG recognises the importance of maintaining a physical presence in Ireland, including maintaining PTSB's existing principal operations, customer-facing functions, meaningful branch presence and key decision-making activities in Ireland; and
- that BAWAG recognises the significant progress that PTSB has made in recent years, the expertise and talent of its management team and employees, and the importance of PTSB's distinctive culture and customer-first heritage. BAWAG intends to build on these strengths, bringing its approach to innovation,

simplification and continuous improvement, grounded in the belief that a business's greatest strength is its people. BAWAG intends to operate PTSB with a clear, long term, ownership mindset. BAWAG's ambition is to build and maintain, within the BAWAG Group, a strong and resilient PTSB business that is a clear and enduring competitor in the Irish banking market.

The letter from BAWAG PSK, in Part II (*Letter from BAWAG PSK*) of this Scheme Document sets out BAWAG PSK's reasons for proposing the Acquisition.

3 Irrevocable Undertakings

BAWAG PSK has received irrevocable undertakings from those PTSBGH Directors who are interested in PTSBGH Shares to vote (or procure the voting) in favour of the Scheme and all of the Resolutions (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of, in aggregate 98,462 PTSBGH Shares which represent approximately 0.018% of the issued share capital of PTSBGH as at the close of business on the Latest Practicable Date. These irrevocable undertakings remain binding in the event that a higher competing offer is made for PTSBGH and will cease to be binding only if (i) the Scheme becomes effective; (ii) BAWAG PSK announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition; (iii) the Acquisition is not completed by the End Date; or (iv) the Acquisition lapses or is withdrawn (which, for the avoidance of doubt, will not be deemed to have occurred only by reason of BAWAG PSK electing to switch from a Scheme to a Takeover Offer), other than in circumstances where the Transaction Agreement has been terminated pursuant to clause 9.1.8 of the Transaction Agreement.

BAWAG PSK has also received an irrevocable undertaking from the Minister to vote (or procure the voting) in favour of all resolutions to approve the Acquisition and all of the Resolutions (or, if BAWAG PSK elects to implement the Acquisition by way of a Takeover Offer, to accept (or procure the acceptance of) the Takeover Offer, subject to the Minister having given his prior written consent to such Takeover Offer) in respect of a total of 313,382,197 PTSBGH Shares (representing, in aggregate, approximately 57.5% of the PTSBGH Shares in issue on the Latest Practicable Date).

Further details of all irrevocable undertakings, including a description of the circumstances in which the Minister's irrevocable undertaking lapses or ceases to be of any further force or effect, are set out in paragraph 7 (*Irrevocable Undertakings*) of Part III (*Explanatory Statement*).

4 Conditions

The Acquisition is conditional on, amongst other things, the Scheme becoming Effective by not later than the End Date or such earlier date as may be specified by the Irish Takeover Panel. The End Date may be extended in accordance with the terms of the Transaction Agreement, in each such instance with the consent of the Panel (if required) and as the High Court may allow (as required).

The implementation of the Scheme is conditional upon, amongst other things:

- the approval at the Scheme Meeting (or any adjournment thereof) by PTSBGH Shareholders holding at least 75% in value of the Scheme Shares held by such PTSBGH Shareholders at the Voting Record Time who are present and voting either in person or by proxy or in any other manner permitted by law at the Scheme Meeting;
- the passing of such resolutions as are required to approve or implement the Scheme at the EGM;
- the sanction of the Scheme by the High Court (with or without material modification, but subject to any such modification being acceptable to each of BAWAG PSK and PTSBGH, acting reasonably);
- the delivery of a copy of the Court Order to the Registrar of Companies;
- receipt of (i) the relevant regulatory clearance, and (ii) the clearances and relevant waiting periods having expired, as applicable, under the Irish merger control regime; and

- the conditions which are not otherwise identified above and which are set out in full in Part V (*Conditions and further terms of the Acquisition and the Scheme*) of this Scheme Document being satisfied or waived on or before the sanction of the Scheme by the High Court pursuant to Chapter 1 of Part 9 of the Act.

5 Current trading and prospects

On 5 March 2026, PTSBGH released its PTSBGH 2025 Full Year Results and 2025 Annual Report. On 8 May 2026, PTSBGH issued a Q1 2026 Trading Update.

Save as set out in the PTSBGH 2025 Full Year Results and 2025 Annual Report released on 5 March 2026 and the Q1 2026 Trading Update released on 8 May 2026, there has been no material change in the financial or trading position of PTSBGH since either 31 December 2025 (being the date to which the latest published audited financial statements of PTSBGH were prepared) or 31 March 2026 (being the date to which the Q1 2026 Trading Update were prepared).

The audited financial statements of PTSBGH for the financial years ended 31 December 2025 and 31 December 2024 are incorporated by reference in Part VI (*Financial Information*) of this Scheme Document.

6 BAWAG PSK Commitments

BAWAG PSK has given certain commitments to PTSBGH for a period of two (2) years following Completion, as set out in Schedule 3 of the Transaction Agreement. The Transaction Agreement is available for inspection as described in paragraph 12 of Part VII (*Additional Information*) of this Scheme Document. The commitments in Schedule 3 of the Transaction Agreement are also described in paragraph 8 (*Effects of the Acquisition*) of Part II (*Letter from BAWAG PSK*) of this Scheme Document.

7 Effects of the Acquisition

PTSBGH Shareholders should refer to paragraph 8 (*Effects of the Acquisition*) of Part II (*Letter from BAWAG PSK*) of this Scheme Document which contains important information on BAWAG PSK's intentions for PTSBGH's business, management, employees, operations and governance.

The PTSBGH Board welcomes BAWAG's statement that, following completion of the Acquisition, BAWAG intends to operate PTSB with a clear, long term, ownership mindset and that BAWAG's ambition is to build and maintain, within the BAWAG Group, a strong and resilient PTSB business that is a clear and enduring competitor in the Irish banking market, supporting consumers, households and businesses across the country, and continuing to serve as a long-term pillar of the Irish financial system emphasised by the commitments it has offered for two (2) years following Completion pursuant to Schedule 3 of the Transaction Agreement.

The PTSBGH Board welcomes BAWAG's commitment that, upon completion of the Acquisition, the existing contractual and statutory employment rights of all management and employees of PTSBGH and its subsidiaries will be honoured in accordance with applicable law. BAWAG has also stated it does not intend to make any changes to PTSB's current employer pension arrangements and that it intends to engage constructively with employee representatives and follow applicable information and consultation obligations in respect of any organisational changes should they arise.

The PTSBGH Board also welcomes BAWAG's statement that intends for PTSB's headquarters to remain in Dublin, recognising PTSB's role as a core Irish retail and SME bank and the importance of continued local operational leadership and that BAWAG intends to maintain a meaningful branch footprint across Ireland to continue to provide brick and mortar banking services to the Irish customers of PTSB, including access to cash in line with applicable regulation. BAWAG has stated that it will review PTSB's fixed asset base following Completion but does not currently intend to make any material changes with respect to the redeployment of PTSB's fixed asset base.

The PTSBGH Board notes that BAWAG recognises the importance of retaining key talent to ensure the continued success of PTSB's business. As at the date of this Scheme Document, BAWAG PSK has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of PTSB's

management. Any future arrangements in this regard would be determined following Completion and in accordance with applicable legal and regulatory requirements.

The PTSBGH Board acknowledges that after completion of the Acquisition, PTSBGH would no longer be a publicly listed company and will become part of the BAWAG Group and accordingly, it is expected that the PTSBGH Board would be reconfigured to reflect its position within the BAWAG Group structure, at all times in compliance with applicable regulatory and supervisory requirements, including those relating to board composition, independence and governance. In this context, it is anticipated that certain existing directors of BAWAG may be appointed to the PTSBGH Board.

The PTSBGH Board notes that BAWAG will continue to support PTSB's operational resilience, including investing in IT systems, cybersecurity, risk management, and customer-facing technology, consistent with prudent banking practice. In addition, BAWAG will maintain prudential, supervisory and regulatory targets that satisfy the obligations imposed on PTSBGH, including by the Central Bank of Ireland and the ECB and will respect existing governance frameworks and applicable regulatory expectations, including those relating to risk management and internal controls.

Finally, the PTSBGH Board welcomes BAWAG's statement that it will continue to engage constructively with key Irish stakeholders, including customers, regulators, government bodies in Ireland with remit over financial and/or banking services, stakeholders, and community partners and will continue supporting community engagement and financial inclusion initiatives.

A separate opinion from the PTSBGH Group of Unions in relation to the Acquisition is set out in the Appendix (*Opinion of PTSBGH Group of Unions*) to this Scheme Document.

12 Recommendation

The PTSBGH Board, which has been so advised by GSI as financial adviser and Rule 3 adviser, as to the financial terms of the Acquisition, considers the terms of the Acquisition as set out in this Scheme Document to be fair and

reasonable. In providing its advice to the PTSBGH Board, GSI has taken into account the commercial assessments of the PTSBGH Board.

Accordingly, the PTSBGH Board recommends unanimously that PTSBGH Shareholders vote in favour of the Acquisition and all of the Resolutions (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer), as they have irrevocably undertaken to do in respect of their own beneficial holdings of, in aggregate, 98,462 PTSBGH Shares which represent approximately 0.018% of the issued share capital of PTSBGH as at the close of business on the Latest Practicable Date.

On behalf of the PTSBGH Board, I would like to thank you again for your consideration and continued support.

Yours sincerely,

FOR

PERMANENT TSB GROUP HOLDINGS PLC

BY

**BAWAG P.S.K. BANK FÜR ARBEIT UND WIRTSCHAFT UND ÖSTERREICHISCHE POSTSPARKASSE
AKTIENGESELLSCHAFT**

A WHOLLY OWNED SUBSIDIARY OF BAWAG GROUP AG

**TO BE IMPLEMENTED BY WAY OF A SCHEME OF ARRANGEMENT UNDER CHAPTER 1 OF PART 9 OF
THE COMPANIES ACT 2014**

Dear PTSBGH Shareholders,

1 Introduction

On 14 April 2026, the management board of BAWAG P.S.K. Bank für Arbeit und Wirtschaft und Österreichische Postsparkasse Aktiengesellschaft (**BAWAG PSK**) and the board of directors of Permanent TSB Group Holdings plc (**PTSBGH**) announced that they had agreed the terms of a cash offer by BAWAG PSK, a wholly owned subsidiary of BAWAG Group AG (**BAWAG**, and together with all of its subsidiaries and Holding Companies for the time being and any other subsidiary of any such Holding Companies, the **BAWAG Group**), which has been unanimously recommended by the PTSBGH Board, pursuant to which BAWAG PSK or the Designated Nominee, will acquire the entire issued share capital of PTSBGH (the **Acquisition**) to be implemented by way of a scheme of arrangement under Chapter 1 of Part 9 of the Act (the **Scheme**).

Your attention is drawn to the letter from Julie O'Neill, the Chairperson of PTSBGH, on behalf of the PTSBGH Board, set out in Part I (*Letter from the Chairperson of Permanent TSB Group Holdings plc*) of this Scheme Document which contains, amongst other matters, the unanimous recommendation of the PTSBGH Board to vote in favour of the Acquisition and all resolutions to be proposed at the EGM.

I am writing to you in order to explain additional background to and reasons for the Acquisition and also to provide you with other relevant information in relation to the Acquisition.

2 Terms of the Acquisition

The Acquisition is to be effected by way of the Scheme. The Scheme is set out in full in Part IV (*Scheme of Arrangement*) of this Scheme Document. Under the terms of the Acquisition, PTSBGH Shareholders will be entitled to receive:

for each PTSBGH Share: €2.97 in cash.

The Acquisition represents a premium of approximately:

- 26% to PTSBGH's undisturbed closing share price of €2.35 per PTSBGH Share on 29 October 2025 (being the last Business Day prior to the announcement of the commencement of the formal sale process of PTSBGH on 30 October 2025);
- 33% to the volume-weighted average of €2.23 per PTSBGH Share for the three-month period ended on 29 October 2025;
- 45% to the volume-weighted average of €2.05 per PTSBGH Share for the six-month period ended on 29 October 2025;
- 71% to the volume-weighted average of €1.74 per PTSBGH Share for the twelve-month period ended on 29 October 2025; and
- 93% to the closing price of €1.54 on 14 April 2025 (being the share price one-year prior to the date of the Rule 2.7 Announcement).

The Consideration will not be reduced by the amount of the FY25 Dividend which was approved by PTSBGH Shareholders at PTSBGH's 2026 AGM on 8 May 2026 and will be paid to PTSBGH Shareholders on or around 19 May 2026. For the avoidance of doubt, the FY25 Dividend, when paid, will be paid in addition to and separately from the Consideration.

If on, or after, the date of the Rule 2.7 Announcement and prior to the Effective Date, any dividend and/or other distribution and/or other return of capital is announced, declared, made or paid or becomes payable in respect of the PTSBGH Shares, other than the FY25 Dividend, BAWAG PSK reserves the right to reduce the Consideration by an amount per PTSBGH Share up to the amount of such dividend and/or distribution and/or return of capital, in which case any reference in the Rule 2.7 Announcement or this Scheme Document to the Consideration will be deemed to be a reference to the Consideration as so reduced.

To become Effective, the Scheme requires, amongst other things, the approval at the Scheme Meeting (or any adjournment thereof) by PTSBGH Shareholders holding at least three-fourths (75%) in value of the Scheme Shares held by such PTSBGH Shareholders at the Voting Record Time who are present and voting either in person or by proxy or in any other manner permitted by law at the Scheme Meeting.

In addition to the Scheme Meeting, an EGM will be held directly after the Scheme Meeting in order to seek the approval of PTSBGH Shareholders to certain resolutions relating to the implementation of the Scheme.

Pursuant to Clause 3.7 of the Transaction Agreement, BAWAG PSK has designated its parent company, BAWAG, as its nominee to acquire the Scheme Shares upon the Scheme becoming Effective (BAWAG, in that capacity, being the Designated Nominee for the purposes of this Scheme Document).

The Acquisition represents an implied price to earnings multiple for FY2025 of 14.4x, which is materially above the average FY2025 price to earnings multiple for the listed Irish banks of 10.6x. The Acquisition also represents an implied price to tangible book value multiple for FY2025 of 0.82x. PTSB reported a 7.3% return on tangible equity in 2025.

3 Background to and Reasons for the Acquisition

BAWAG PSK is a regulated bank operating in Europe and the United States with its primary European operations in Austria, Germany, the Netherlands and Ireland. It is an established operator of regulated banks in Europe, with a strong focus on prudential risk management, customer outcomes and sustainable long-term growth. The BAWAG Group has a strong track record of mergers and acquisitions, having successfully acquired and integrated fourteen finance and credit institutions/portfolios since 2015 in different jurisdictions such as Austria, Germany, Switzerland,

Ireland, the Netherlands and the USA that provide credit products to, and gather deposits predominantly from, private individuals and small businesses. The BAWAG Group's business model is to operate these businesses with a long-term ownership mindset as part of an enhanced pan-European and US banking group that pursues sustained investment and growth across its core markets as a publicly listed entity.

BAWAG's corporate strategy targets growth in developed and mature markets characterised by strong fiscal positions, reliable legal frameworks, and stable geopolitical conditions. Ireland is one of its core markets that aligns with this strategy, including similar GDP to the other developed markets in which the BAWAG Group operates, low unemployment rates, a stable financial system, low sovereign risk, and modest levels of consumer indebtedness, which is highly attractive and comparable to other geographies where the BAWAG Group operates. In such markets, BAWAG's objective is to enhance the competitiveness and sustainability of its franchises. This includes implementing measures to improve operational efficiency and continuously investing in its technology infrastructure, while focusing on providing high quality banking services and continuously improving customer outcomes and adapting to changing customer behaviour.

The BAWAG Group has been active in the Irish market for over a decade, commencing with commercial real estate lending in 2015. Subsequently, the BAWAG Group acquired Depfa Bank in 2021 and managed its continued wind-down. In 2023, the BAWAG Group acquired and launched the mortgage origination platform MoCo, which expanded its services to include a deposit offering in 2025. The BAWAG Group generates significant amounts of capital and has both the capital and liquidity required to support the continued growth of PTSB. With the acquisition of PTSBGH, BAWAG will continue to invest capital and resources to ensure PTSBGH is positioned to be a long-term and significant competitor in the Irish retail and SME banking space.

4 Information on and relationship between BAWAG and BAWAG PSK

BAWAG PSK is an Austrian stock corporation (Aktiengesellschaft), fully regulated by the ECB and by the local financial regulatory authorities in Austria, Germany, the Netherlands and Ireland. BAWAG PSK has its registered office at 1100 Wien, Wiedner Gürtel 11, Austria. Its company register number is FN 205340x. BAWAG PSK's sole shareholder, BAWAG, is publicly listed and a member of the Austrian Traded Index as well as Global FTSE and MSCI index series.

The current members of the management board of BAWAG PSK are Anas Abuzaakouk, Sat Shah, Enver Sirucic, David O'Leary, Guido Jestädt and Andrew Wise.

BAWAG PSK's Irish branch, operating as MoCo, is a Dublin-based branch originating mortgage loans and, most recently, offering a deposit product in Ireland.

The current members of the management board of BAWAG are Anas Abuzaakouk, Sat Shah, Enver Sirucic, David O'Leary, Guido Jestädt and Andrew Wise.

5 Irrevocable Undertakings

BAWAG PSK has received irrevocable undertakings from those PTSBGH Directors who are interested in PTSBGH Shares to vote (or procure the voting) in favour of the Scheme and all of the Resolutions (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of, in aggregate 98,462 PTSBGH Shares which represent approximately 0.018% of the issued share capital of PTSBGH as at the close of business on the Latest Practicable Date. These irrevocable undertakings remain binding in the event that a higher competing offer is made for PTSBGH and will cease to be binding only if (i) the Scheme becomes effective; (ii) BAWAG PSK announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition; (iii) the Acquisition is not completed by the End Date; or (iv) the Acquisition lapses or is withdrawn (which, for the avoidance of doubt, will not be deemed to have occurred only by reason of BAWAG PSK electing to switch from a Scheme to a Takeover Offer), other than in circumstances where the Transaction Agreement has been terminated pursuant to clause 9.1.8 of the Transaction Agreement.

BAWAG PSK has also received an irrevocable undertaking from the Minister to vote (or procure the voting) in favour of all resolutions to approve the Acquisition and all of the Resolutions (or, if BAWAG PSK elects to implement the Acquisition by way of a Takeover Offer, to accept (or procure the acceptance of) the Takeover Offer, subject to the Minister having given his prior written consent to such Takeover Offer) in respect of a total of 313,382,197 PTSBGH Shares (representing, in aggregate, approximately 57.5% of the PTSBGH Shares in issue on the Latest Practicable Date).

Further details of all irrevocable undertakings, including a description of the circumstances in which the Minister's irrevocable undertaking lapses or ceases to be of any further force or effect, are set out in paragraph 7 (Irrevocable Undertakings) of Part III (*Explanatory Statement*).

6 Current trading and prospects

On 21 April 2026, BAWAG issued its Q1 2026 Financial Results. Save as set out in the Q1 2026 Financial Results, there has been no material change in the financial or trading position of BAWAG PSK or BAWAG since either 31 December 2025 (being the date to which the latest published audited financial statements of each of BAWAG PSK and BAWAG were prepared) or 31 March 2026 (being the date to which the Q1 2026 Financial Results were prepared).

The audited financial statements of each of BAWAG PSK and BAWAG for the financial years ended 31 December 2025 and 31 December 2024 are incorporated by reference in section (B) of Part VI (Financial Information) of this Scheme Document.

If the Scheme becomes Effective, the financial and trading prospects of BAWAG PSK and BAWAG will depend on (among other factors) the strength of PTSBGH, of any other operating subsidiaries in due course held by BAWAG, and the sector in general.

7 Financing of the Acquisition

The Consideration payable to PTSBGH Shareholders under the terms of the Acquisition will be funded from BAWAG PSK's cash and cash equivalent resources. Citi, as financial adviser to BAWAG PSK, is satisfied that sufficient resources are available to BAWAG PSK to enable it to satisfy in full the Consideration payable to PTSBGH Shareholders under the terms of the Acquisition.

8 Effects of the Acquisition

8.1 BAWAG's strategic plans for PTSB

BAWAG intends to operate the PTSBGH Group with a clear, long term, ownership mindset. BAWAG's ambition is to build and maintain, within the BAWAG Group, a strong and resilient PTSB business that is a clear and enduring competitor in the Irish banking market, supporting consumers, households and businesses across the country, and continuing to serve as a long-term pillar of the Irish financial system, emphasised by the commitments it has offered for two (2) years following Completion pursuant to Schedule 3 of the Transaction Agreement, as further described in paragraph 8.2 below.

BAWAG intends to invest meaningfully in the PTSBGH Group to strengthen its competitiveness and sustainability within the Irish market, drawing on BAWAG's extensive experience in building and operating banking franchises across European markets. As part of this, BAWAG intends to carry out a detailed review in order to determine how best to combine the operations of the BAWAG Group and the PTSBGH Group, identify areas for operational efficiency and synergies, leveraging best practices across the group. BAWAG will engage constructively with the PTSBGH Group's employee representatives and follow applicable information and consultation obligations in respect of any organisational changes should they arise.

Further, through its investment in Irish banking and finance since 2015, including most recently with MoCo's retail mortgage and savings offering, BAWAG has identified further areas of strategic opportunity in Ireland, which BAWAG believes could be pursued successfully by aligning the PTSB franchise with BAWAG's European banking expertise.

Taking just two examples: (i) BAWAG PSK is one of the largest capital providers for energy-efficiency solutions to households in Germany through various brands; this product expertise aligns well with the growing financing need for such retail lending solutions in Ireland; and (ii) similarly with SME and self-employed banking products, while PTSB benefits from recently acquired customers in these areas, BAWAG PSK's existing product and credit risk expertise through "easybank" in Austria and Germany and Knab in the Netherlands has the potential to drive a differentiated customer proposition and market growth in these areas in Ireland.

8.2 BAWAG PSK Commitments

BAWAG PSK has given certain commitments to PTSBGH for a period of two (2) years following Completion, as set out in Schedule 3 of the Transaction Agreement. The Transaction Agreement is available for inspection as described in paragraph 12 of Part VII (*Additional Information*) of this Scheme Document. The commitments in Schedule 3 of the Transaction Agreement are also described in paragraphs 8.3 to 8.9 below.

8.3 Intentions for employment rights and pensions

BAWAG confirms that, upon completion of the Acquisition, the contractual and statutory employment rights of all management and employees of the PTSBGH and its subsidiaries will be honoured in accordance with applicable law.

BAWAG does not intend to make any changes to PTSB's current employer pension arrangements.

BAWAG will engage constructively with employee representatives and follow applicable information and consultation obligations in respect of any organisational changes.

A separate opinion from the PTSBGH Group of Unions in relation to the Acquisition is set out in the Appendix (*Opinion of PTSBGH Group of Unions*) to this Scheme Document.

8.4 Intentions for Headquarters, locations and fixed assets

BAWAG intends for PTSB's headquarters to remain in Dublin, recognising PTSB's role as a core Irish retail and SME bank and the importance of continued local operational leadership. In addition, BAWAG intends to maintain a meaningful branch footprint across Ireland to continue to provide brick and mortar banking services to the Irish customers of PTSB, including access to cash in line with applicable regulation.

BAWAG will review the PTSBGH Group's fixed asset base following Completion but does not currently intend to make any material changes with respect to the redeployment of PTSB's fixed asset base.

8.5 Management incentive arrangements

BAWAG recognises the importance of retaining key talent to ensure the continued success of PTSB's business. As at the date of this Scheme Document, BAWAG PSK has not entered into, and has not had discussions on proposals to enter into, any form of incentivisation arrangements with members of PTSB's management. Any future arrangements in this regard would be determined following the Effective Date and in accordance with applicable legal and regulatory requirements.

8.6 Board of PTSBGH following the Acquisition

After the completion of the proposed transaction, PTSBGH would no longer be a publicly listed bank and will become part of the BAWAG Group. Whilst the precise composition of the PTSBGH Board following Completion has not yet been determined, it is expected that the PTSBGH Board would be reconfigured to reflect its position within the BAWAG Group structure, at all times in compliance with applicable regulatory and supervisory requirements, including those relating to board composition, independence and governance. In this context, it is anticipated that certain existing directors of BAWAG may be appointed to the PTSBGH Board. BAWAG also recognises the expansive experience and expertise of the current PTSBGH board members, and would propose to engage with each of them regarding potential opportunities to continue working with the BAWAG Group going forward.

8.7 Investment and Operational Support

BAWAG will continue to support PTSB's operational resilience, including investing in IT systems, cybersecurity, risk management, and customer-facing technology, consistent with prudent banking practice.

8.8 Governance and Regulatory Compliance

BAWAG will set and maintain prudential, supervisory and regulatory targets that satisfy the obligations imposed on PTSBGH, including by the Central Bank of Ireland and the ECB and will respect existing governance frameworks and applicable regulatory expectations, including those relating to risk management and internal controls.

8.9 Community and Stakeholder Commitments

BAWAG will continue to engage constructively with key Irish stakeholders, including customers, regulators, Government Bodies in Ireland with remit over financial and/or banking services, stakeholders, and community partners and will continue supporting community engagement and financial inclusion initiatives.

9 Settlement, delisting and dealings

Applications will be made: (i) to Euronext Dublin and the London Stock Exchange prior to the Effective Date to cancel the admission of the PTSBGH Shares to trading on the regulated market of Euronext Dublin and the Main Market of the London Stock Exchange respectively; (ii) to Euronext Dublin to cancel the listing of PTSBGH Shares on the Official List of Euronext Dublin; and (iii) to the FCA to cancel the listing of PTSBGH Shares on the equity shares (international commercial companies secondary listing) category of the FCA's Official List, in each case with effect from shortly after the Effective Date, subject to and following the Scheme becoming Effective.

Dealing in PTSBGH Shares on the regulated market of Euronext Dublin and the Main Market of the London Stock Exchange may be suspended prior to the Effective Date. An appropriate announcement in this regard will be made in due course.

As soon as is reasonably practicable following the Effective Date, it is intended that PTSBGH will be re-registered as a private limited liability company.

10 Meetings and Action to be Taken

Your attention is drawn to paragraph 3 of Part III (*Explanatory Statement*) of this Scheme Document which sets out details of the Meetings which have been convened for PTSBGH Shareholders to consider and, if thought fit, approve resolutions to give effect to the Scheme.

The Scheme has the unanimous support and recommendation of the PTSBGH Board. We urge you to support the Scheme and to vote in favour of the resolutions to be proposed at the Meetings.

Once the Scheme becomes Effective, it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted in favour or at all at the Scheme Meeting or the EGM (and if they attended and voted, whether or not they voted in favour). Provided the Scheme becomes Effective, Scheme Shareholders will receive their Consideration without having to take further action.

If you are in any doubt as to the action you should take in relation to the Scheme, you should consult your stockbroker, bank manager, solicitor, accountant or other independent professional adviser immediately.

11 Further Information

Your attention is drawn to the explanations contained in the Explanatory Statement in Part III (*Explanatory Statement*) of this Scheme Document and to the further information contained in the remainder of this Scheme Document.

Yours sincerely,

Anas Abuzaakouk

Chairman of the Management Board (CEO)

BAWAG P.S.K. Bank für Arbeit und Wirtschaft und Österreichische Postsparkasse Aktiengesellschaft

PART III – EXPLANATORY STATEMENT (IN COMPLIANCE WITH SECTION 452 OF THE ACT)

RECOMMENDED CASH OFFER

FOR

PERMANENT TSB GROUP HOLDINGS PLC

1 Introduction

On 14 April 2026 the management board of BAWAG PSK and the board of directors of PTSBGH announced that they had reached agreement on the terms of a cash offer by BAWAG PSK, a wholly owned subsidiary of BAWAG, which has been unanimously recommended by the PTSBGH Board, pursuant to which BAWAG PSK or the Designated Nominee, will acquire the entire issued share capital of PTSBGH by way of a scheme of arrangement under Chapter 1 of Part 9 of the Act.

Pursuant to Clause 3.7 of the Transaction Agreement, BAWAG PSK has designated its parent company, BAWAG, to acquire the Scheme Shares upon the Scheme becoming Effective (BAWAG, in that capacity, being the Designated Nominee for the purposes of this Scheme Document).

Your attention is drawn to the letter of recommendation from Julie O'Neill, the Chairperson of PTSBGH, on behalf of the PTSBGH Board, in Part I (*Letter from the Chairperson of Permanent TSB Group Holdings plc*) of this Scheme Document, which sets out the reasons why the PTSBGH Board, who have been so advised by GSI, as financial adviser and Rule 3 adviser to PTSBGH, consider the terms of the Acquisition to be fair and reasonable. In providing its financial advice, GSI has taken into account the PTSBGH Board's commercial assessment of the Acquisition. Accordingly, the PTSBGH Board unanimously recommends that all PTSBGH Shareholders vote in favour of the Acquisition and all Resolutions to be considered at the Scheme Meeting and the EGM, as they intend to do in respect of their own beneficial holdings of, in aggregate, 98,462 PTSBGH Shares, which represent approximately 0.018% of the issued share capital of PTSBGH as at the close of business on the Latest Practicable Date.

In providing their advice to the PTSBGH Board, GSI have taken into account the commercial assessments of the PTSBGH Board.

Your attention is also drawn to the other parts of this Scheme Document, which all form part of this Explanatory Statement.

Capitalised terms used but not defined in this Part III (*Explanatory Statement*) have the meanings ascribed to such terms in Part VIII (*Definitions*).

2 Acquisition

The Acquisition is to be effected by way of a scheme of arrangement between PTSBGH and the PTSBGH Shareholders under Chapter 1 of Part 9 of the Act. The Scheme is set out in full in Part IV (*Scheme of Arrangement*) of this Scheme Document. Under the terms of the Scheme, BAWAG PSK will pay the Consideration (without interest and less any applicable withholding tax payments (if any)) to the Scheme Shareholders in consideration for the transfer to BAWAG PSK or the Designated Nominee of their Scheme Shares.

In accordance with the terms of the Transaction Agreement, BAWAG PSK will transfer the Consideration payable under the Scheme to the Escrow Agent to be received no later than one Business Day prior to the Sanction Date and to be held in accordance with the terms of the Escrow Provisions for the benefit of BAWAG PSK and/or the Scheme Shareholders (as applicable). As a result of the Scheme, PTSBGH will become a wholly owned subsidiary of BAWAG PSK or the Designated Nominee.

The Scheme will require approval of the Scheme Meeting Resolution by the PTSBGH Shareholders at the Scheme Meeting, approval of the EGM Resolutions by the PTSBGH Shareholders at the EGM and the sanction of the High Court at the Court Hearing.

The Scheme Meeting and the EGM and the nature of the approvals required to be given at the Meetings are described in more detail in paragraph 3 of this Part III (*Explanatory Statement*). Each PTSBGH Shareholder is entitled to attend or to be represented by counsel or a solicitor (at its own expense) at the Court Hearing to support or oppose the sanctioning of the Scheme.

The Acquisition is subject to the Conditions (as set out in Part V (*Conditions and further terms of the Acquisition and the Scheme*) of this Scheme Document). The Acquisition can only become Effective if the Conditions to which the Scheme is subject have been satisfied or (where permissible) waived by no later than the End Date. The End Date may be extended in accordance with the terms of the Transaction Agreement, in each such instance with the consent of the Panel (if required) and as the High Court may allow (as required).

Assuming the necessary approvals from PTSBGH Shareholders have been obtained at the Meetings and all other Conditions have been satisfied or, where applicable, waived, the Scheme will become Effective upon delivery of a copy of the Court Order to the Registrar of Companies.

Once the Scheme becomes Effective it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted in favour or at all at the Scheme Meeting or the EGM. Provided the Scheme becomes Effective, Scheme Shareholders will receive their Consideration without having to take further action. The Scheme is expected to become Effective during Q4 2026 or Q1 2027.

3 Consents and Meetings

The Scheme requires approval by PTSBGH Shareholders at the Scheme Meeting to be held at The Conrad Hotel, Earlsfort Terrace, Dublin 2, D02 V562, Ireland on 30 July 2026 at 10.00 a.m.

In addition to requiring approval at the Scheme Meeting, implementation of the Scheme also requires various approvals by PTSBGH Shareholders at the EGM to be held at the same venue as the Scheme Meeting at The Conrad Hotel, Earlsfort Terrace, Dublin 2, D02 V562, Ireland on 30 July 2026 at 10.15 a.m. or, if later, immediately after the conclusion or adjournment of the Scheme Meeting.

The purpose of the Scheme Meeting is to consider and vote on the Scheme. The High Court can only sanction the Scheme, and the Scheme can only become Effective, if it, among other things, is approved by the requisite majority at the Scheme Meeting. The purpose of the EGM is to seek approvals to facilitate the implementation of the Scheme, including but not limited to, to amend the Memorandum and Articles of Association, and the other matters described below.

Notices of the Scheme Meeting and the EGM are set out at the end of this Scheme Document. Entitlement to attend and vote at each meeting and the number of votes which may be cast at each meeting will be determined by reference to the Register of Members at the Voting Record Time.

(a) Scheme Meeting

The approval of PTSBGH Shareholders will be sought at the Scheme Meeting which has been convened for 10.00 a.m. on 30 July 2026, to enable the PTSBGH Shareholders to consider and, if thought fit, approve the Scheme. At the Scheme Meeting, voting will be by poll and each PTSBGH Shareholder who is present in person or by proxy will be entitled to one vote for each Scheme Share held.

The quorum for the Scheme Meeting shall be two (2) or more PTSBGH Shareholders present in person or by proxy holding, in aggregate, not less than one-third in nominal value of the PTSBGH Shares at the Voting Record Time.

To be passed, the resolution to approve the Scheme requires the approval of PTSBGH Shareholders at the Scheme Meeting (or any adjournment of such meeting) who represent at least 75% in value of the Scheme Shares held by such PTSBGH Shareholders at the Voting Record Time who are present and voting either in person or by proxy or in any other manner permitted by law at the Scheme Meeting.

The Scheme is conditional on approval of the Scheme Meeting Resolution at the Scheme Meeting.

All PTSBGH Shareholders are urged to exercise their votes in respect of the Scheme Meeting and the EGM. You are therefore encouraged to sign and return the enclosed Form of Proxy for the Scheme Meeting as soon as possible.

(b) Extraordinary General Meeting

In addition to the Scheme Meeting, the EGM has been convened for the same date commencing at 10.15 a.m. on 30 July 2026 or, if later, as soon thereafter as the Scheme Meeting, convened for the same date and place, has concluded or has been adjourned, to consider and, if thought fit, pass the following resolutions (which in the case of the special resolutions require a vote in favour of not less than 75%, of the votes cast and in respect of the ordinary resolutions require a vote in favour of in excess of 50%, of the votes cast):

Resolution 1 – Special Resolution: Amendment of Memorandum of Association

To approve an amendment of the Memorandum of Association to provide PTSBGH with an express power to enter into schemes of arrangement for the purposes of Chapter 1 of Part 9 of the Act.

Resolution 2 – Ordinary Resolution: Approval of the Scheme of Arrangement

To approve the Scheme of Arrangement.

Resolution 3 – Special Resolution: Amendment of Articles of Association

Subject to the Scheme becoming Effective, to amend the Articles of Association:

- (a) to ensure that any PTSBGH Shares issued (other than to BAWAG PSK or the Designated Nominee) on or after the Voting Record Time and before the Scheme Record Time will be subject to the Scheme; and
- (b) to provide that any PTSBGH Shares issued to any person (other than to BAWAG PSK or the Designated Nominee) on or after the Scheme Record Time will automatically be transferred to BAWAG PSK or the Designated Nominee for cash on the same terms as the Scheme.

These amendments will ensure, assuming the Scheme becomes Effective, that no PTSBGH Shareholder (other than BAWAG PSK or the Designated Nominee) will hold PTSBGH Shares after the Effective Time.

Resolution 4 – Ordinary Resolution: Adjournment of the EGM

To approve an adjournment of the EGM if necessary or appropriate to solicit additional proxies.

(c) Voting

All PTSBGH Shareholders are urged to exercise their votes in respect of the Scheme Meeting and the EGM. Further details in relation to the manner of voting depending on how your interests are held is set out on pages 13 to 15 of this Scheme Document and in the Statement of Procedures contained at the end of the Notice of Scheme Meeting and Notice of Extraordinary General Meeting contained in this Scheme Document.

(d) Court Hearing

Subject to the approval of the Resolutions and satisfaction or (where permissible) waiver of the Conditions, it is expected that the Court Hearing will be held during Q4 2026 or Q1 2027. All PTSBGH Shareholders are entitled to attend the Court Hearing in person or to be represented by counsel or a solicitor (at their own expense) to support or oppose the sanctioning of the Scheme.

4 Structure of the Scheme

It is proposed that, under the Scheme, all Scheme Shares will be transferred to BAWAG PSK or the Designated Nominee, for the Consideration (without interest and less any applicable withholding tax payments (if any)). As a result of these arrangements, PTSBGH will become a wholly owned subsidiary of BAWAG PSK or the Designated Nominee.

It is expected that the Scheme will become Effective and that the Acquisition will be completed during Q4 2026 or Q1 2027. The Scheme can only become Effective if all the Conditions to which the Scheme is subject have been satisfied or (where permissible) waived by no later than the End Date. The End Date may be extended in accordance with the terms of the Transaction Agreement, in each such instance with the consent of the Panel (if required) and as the High Court may allow (as required). Assuming the necessary approvals from PTSBGH Shareholders have been obtained and all other Conditions have been satisfied or (where permissible) waived, the Scheme will become Effective upon delivery to the Registrar of Companies of a copy of the Court Order.

Once the Scheme becomes Effective it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted in favour or at all at the Scheme Meeting or the EGM (and if they attended and voted, whether or not they voted in favour). Provided the Scheme becomes Effective, Scheme Shareholders will receive their Consideration (without interest and less any applicable withholding tax payments (if any)) without having to take further action. PTSBGH Shares issued after the Scheme Record Time will not be subject to the Scheme. Accordingly, Resolution 3 to be proposed at the EGM will propose that the Articles be amended so that any PTSBGH Shares issued after the Scheme Record Time (other than to BAWAG PSK or the Designated Nominee) will be immediately and automatically transferred to BAWAG PSK (or the Designated Nominee) on the same terms as under the Scheme.

5 Modifications to the Scheme

The Scheme contains a provision for BAWAG PSK and PTSBGH jointly to consent on behalf of all concerned to any modifications, additions or conditions to the Scheme which the Court may think fit to approve or impose. The Court would be unlikely to approve of, or impose, any modifications, additions or conditions to the Scheme which might be material to the interests of PTSBGH Shareholders unless PTSBGH Shareholders were informed of any such modification, addition or condition. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of PTSBGH Shareholders should be held. Similarly, if a modification, addition or condition is put forward which, in the opinion of the PTSBGH Directors, is of such a nature or importance as to require the consent of PTSBGH Shareholders at a further meeting, the PTSBGH Directors will not take the necessary steps to make the Scheme Effective unless and until such consent is obtained.

6 Alternative means of implementing the Acquisition

BAWAG PSK reserves the right to elect, subject to the terms of the Transaction Agreement, compliance with the Takeover Rules and with the consent of the Panel, to implement the Acquisition by way of a Takeover Offer for the entire issued share capital of PTSBGH as an alternative to the Scheme. In such an event, the Takeover Offer will be implemented on the same terms (subject to appropriate amendments), so far as applicable, as those which would apply to the Scheme and subject to the amendments referred to in Part V (*Conditions and further terms of the Acquisition and the Scheme*) of this Scheme Document and in the Transaction Agreement.

7 Irrevocable Undertakings

BAWAG PSK has received irrevocable undertakings from those PTSBGH Directors who are interested in PTSBGH Shares to vote (or procure the voting) in favour of the Scheme and all of the Resolutions (or, in the event that the Acquisition is implemented by way of a Takeover Offer, to accept or procure the acceptance of the Takeover Offer) in respect of the following number of PTSBGH Shares:

Name	Number of PTSBGH Shares held	Percentage of PTSBGH's issued share capital as at the close of business on the Latest Practicable Date
Eamonn Crowley	50,000	0.0092%
Marian Corcoran	4,500	0.0008%
Paul Doddrell	4,046	0.0007%

Celine Fitzgerald	6,227	0.0011%
Anne Bradley	6,227	0.0011%
Julie O'Neill	20,000	0.0037%
Catherine Moroney	7,462	0.0014%

These irrevocable undertakings remain binding in the event that a higher competing offer is made for PTSBGH and will cease to be binding only if:

- the Scheme becomes effective;
- BAWAG PSK announces, with the consent of the Panel, that it does not intend to proceed with the Acquisition;
- the Acquisition is not completed by the End Date; or
- the Acquisition lapses or is withdrawn (which, for the avoidance of doubt, will not be deemed to have occurred only by reason of BAWAG PSK electing to switch from a Scheme to a Takeover Offer), other than in circumstances where the Transaction Agreement has been terminated pursuant to clause 9.1.8 of the Transaction Agreement.

BAWAG PSK has also received an irrevocable undertaking from the Minister to vote (or procure the voting) in favour of the Scheme and all resolutions to approve the Acquisition and all of the Resolutions (or, if BAWAG PSK elects to implement the Acquisition by way of a Takeover Offer, to accept (or procure the acceptance of) the Takeover Offer, subject to the Minister having given his prior written consent to such Takeover Offer) in respect of a total of 313,382,197 PTSBGH Shares (representing, in aggregate, approximately 57.5% of the PTSBGH Shares in issue on the Latest Practicable Date).

The Minister's irrevocable undertaking will lapse and cease to be of any further force or effect in the following circumstances:

- if the Scheme becomes effective in accordance with its terms or, if the Acquisition is implemented by way of a Takeover Offer, the Takeover Offer becomes or is declared unconditional in all respects in accordance with the provisions of the Takeover Offer Documents and the requirements of the Irish Takeover Rules;
- if BAWAG PSK announces, with the consent of the Irish Takeover Panel, that it does not intend to proceed with the Acquisition;
- where, at any time following delivery under and in accordance with clause 5.2.6 of the Transaction Agreement of a Final Recommendation Change Notice in respect of a PTSBGH Alternative Proposal which constitutes a Higher Competing Offer, the Minister gives notice in writing to BAWAG PSK that, or to the effect that, the Minister's irrevocable undertaking and all undertakings, agreements, warranties and consents set out in such undertaking have lapsed and ceased to be of any further effect;
- where at any time after BAWAG PSK elects to implement the Acquisition by way of a Takeover Offer which is not an Agreed Takeover Offer, the Minister gives notice in writing to BAWAG PSK that, or to the effect that, the Minister's irrevocable undertaking and all undertakings, agreements, warranties and consents set out in such undertaking have lapsed and ceased to be of any further effect;
- the Transaction Agreement is terminated in accordance with its terms (except where the Transaction Agreement is terminated by PTSBGH pursuant to clause 9.1.8 of the Transaction Agreement following delivery of a Final Recommendation Change Notice under and in accordance with clause 5.2.6 of the Transaction Agreement in respect of a PTSBGH Alternative Proposal which does not constitute a Higher Competing Offer);

- the Scheme lapses or is withdrawn; or
- the Scheme does not become effective by the End Date, or, if BAWAG PSK elects to implement the Acquisition by way of a Takeover Offer, the Takeover Offer does not become unconditional in all respects by the End Date in accordance with the provisions of the Takeover Offer Documents and the requirements of the Irish Takeover Rules.

In aggregate, therefore, BAWAG PSK has received irrevocable undertakings to vote (or procure the voting) in favour of:

- the Scheme in respect of 313,480,659 PTSBGH Shares, representing approximately 57.5% of the PTSBGH Shares eligible to vote at the Scheme Meeting as at the close of business on the Latest Practicable Date; and
- the EGM Resolutions to be proposed at the EGM in respect of 313,480,659 PTSBGH Shares, representing approximately 57.5% of the issued share capital of PTSBGH as at the close of business on the Latest Practicable Date.

Each irrevocable undertaking is governed by and shall be construed in accordance with Irish law and the courts of Ireland shall have exclusive jurisdiction to hear and determine any suit, actions or proceedings that may arise out of or in connection with the irrevocable undertakings.

8 Acquisition-related Agreements

(a) Confidentiality Agreement

On 26 November 2025, BAWAG and PTSBGH entered into a Confidentiality Agreement pursuant to which each of the parties thereto have undertaken to keep confidential information relating to the other parties and not to disclose it to third parties (other than to authorised recipients) unless required by law or regulation or permitted pursuant to other limited carve-outs to the obligations of confidentiality.

(d) **Escrow Agreement**

On 14 May 2026, BAWAG PSK, PTSBGH, and the Escrow Agent entered into an escrow agreement for the purpose of facilitating payment of the Consideration payable to PTSBGH Shareholders pursuant to the Scheme. All Consideration paid to PTSBGH Shareholders pursuant to the Scheme will be distributed by the Receiving Agent (without interest and subject to such withholding tax payments, including New Withholding Tax (if any) on behalf of PTSBGH Shareholders as may be required by law) to the PTSBGH Shareholders within 14 days of the Effective Date of the Scheme, in accordance with the requirements of the Irish Takeover Rules.

PTSBGH Shareholders in the United States should refer to the section of the Scheme Document titled "*Notice to US Shareholders in PTSBGH*" on pages 4 to 5.

- 5.3 PTSBGH, BAWAG and BAWAG PSK have agreed (pursuant to the Transaction Agreement) that in certain circumstances the necessary actions to seek sanction of this Scheme may not be taken.

6 Modification

The PTSBGH Board (on behalf of PTSBGH) and the BAWAG PSK Board (on behalf of BAWAG PSK) may jointly consent on behalf of all persons concerned to any modification of or addition to this Scheme or any condition which the High Court may approve or impose.

As a result of this harmonisation, in the event of a termination, the notice period to be given by PTSB to the CFO

The corresponding notice period to be given by each Executive Director to PTSB under their respective service contract is 6 months. The Executive Directors are subject to annual re-election at PTSBGH's annual general meeting. The Executive Directors are each entitled to a car allowance of €20,000 per annum, death in service benefits, income protection at 66.67% and membership of a staff defined contribution pension scheme. The CEO and CFO are entitled to employer pension contribution rate of 20% and 13% respectively under each of their contracts of employment, subject in each case to the applicable (maximum employer contribution rate (being 20% in the case of the CEO and 16% in all other cases)).

7.4 Zippay

On 30 July 2025, PTSB entered into a framework agreement with Nexi Payments S.P.A. (**Nexi**) to launch a new person-to-person mobile payment service (**Zippay**) to be administered by Nexi through PTSB's mobile banking application. Zippay successfully launched on 10 March 2026, with an initial term of five years, and is intended to facilitate simplified mobile payments between customers of PTSB, Allied Irish Banks plc and the Governor and Company of the Bank of Ireland (together, the **Participating Banks**). The Participating Banks pay Nexi an annual fee and tiered transaction fees in relation to billable transactions made by customers using Zippay.

To further govern this collaboration, PTSB entered into:

1. a joint participation agreement with Nexi to agree certain ancillary matters related to the implementation and operation of Zippay;
2. a joint data controller agreement with the remaining Participating Banks to govern their respective responsibilities in relation to the processing of personal data of their customers in connection with the use of Zippay; and
3. a deed of license and indemnity with the Participating Banks and Banking & Payments Federation Ireland CLG (**BPFI**) which regulates the terms on which BPFI licenses to the Participating Banks the right to use Zippay trademarks.

8 Financing of the Acquisition

The Consideration payable under the terms of the Acquisition will be funded from BAWAG PSK's cash and cash equivalent resources.

In accordance with Rule 24.8 of the Irish Takeover Rules, Citi, as financial adviser to BAWAG PSK, is satisfied that sufficient resources are available to BAWAG PSK to satisfy in full the Consideration payable to PTSBGH Shareholders under the terms of the Scheme.

9 Irish and United Kingdom taxation

The following is a general summary of the significant Irish and UK Tax considerations applicable to Irish and UK Holders (each as defined below) in respect of the transfer of PTSBGH Shares under the Scheme.

9.1 Irish Tax considerations

This is a summary of the anticipated material Irish Tax considerations of the Scheme for certain beneficial owners of PTSBGH Shares. It is based on Irish taxation laws in force as at the date of this Scheme Document, regulations promulgated thereunder, the current provisions of the Ireland-United Kingdom Double Taxation Convention (the **Ireland-UK Treaty**), proposals to amend any of the foregoing publicly announced prior to the date hereof, and the currently published administrative practices of the Irish Revenue Commissioners. Taxation laws are subject to change, from time to time. Changes in law and / or administrative practice may result in the alteration of the Tax considerations described below, possibly with retrospective effect. No representation is or can be made as to whether such laws will change, or what impact, if any, such changes will have on the statements contained in this summary. No assurance is or can be given that legislative or judicial changes, or changes in administrative practice, will not modify or change the statements expressed herein.

This summary does not purport to be a comprehensive description of all potential Irish Tax considerations that may apply to a shareholder as a result of the implementation of the Scheme. In addition, this discussion does not address all aspects of Irish taxation that may be relevant to particular shareholders, nor does it take into account the individual facts and circumstances of any particular shareholder that may affect the Irish Tax consequences for such shareholder. Accordingly, this summary is not intended to be, and should not be construed as, Tax advice and is intended only as a general guide.

The summary is not exhaustive. Holders of PTSBGH Shares are advised to consult their own tax advisers with respect to the application of Irish taxation laws to their particular circumstances (and Tax consequences under the laws of other relevant jurisdictions) in relation to the Scheme.

The summary only applies to PTSBGH Shareholders who hold their PTSBGH Shares as capital assets (i.e. investments) and does not address special classes of Holders of PTSBGH Shares, including, but not limited to, dealers in securities, insurance companies, pension schemes, employee share ownership trusts, collective investment undertakings, charities, tax-exempt organisations, financial institutions and close companies, each of which may be subject to special rules not discussed below.

This section applies to holders of PTSBGH Shares that (i) beneficially own PTSBGH Shares; (ii) in the case of Individual Holders, are resident, ordinarily resident and domiciled in Ireland under Irish taxation laws; (iii) in the case of Holders that are companies, are resident in Ireland under Irish taxation laws; and (iv) are not considered resident in any country other than Ireland for the purposes of any double taxation agreement entered into by Ireland (**Irish Holders**).

(A) Irish taxation on chargeable gains

Irish Holders who receive Consideration under the Scheme for the transfer of their PTSBGH Shares may be subject to Irish capital gains tax (in the case of individuals) or Irish corporation tax on chargeable gains (in the case of companies) to the extent that the proceeds realised from such disposition exceed the indexed base cost of their PTSBGH Shares plus incidental selling expenses. The current effective rate of tax applicable to such capital/chargeable gains is 33%.

Irish Holders – individuals

Individual Holders that are resident or ordinarily resident in Ireland for Tax purposes, or Holders that use or hold their PTSBGH Shares in connection with a trade carried on by such persons through an Irish branch or agency, or otherwise for the purposes of a branch or agency in Ireland, should generally be within the charge to Irish capital gains tax on the Consideration received for the transfer of their PTSBGH Shares pursuant to the Scheme.

An annual exemption allows individuals to realise chargeable gains of up to €1,270 in each tax year without giving rise to capital gains tax. Individuals should note that the annual capital gains exemption is an annual exemption available in respect of the total Taxable gains of an individual for the relevant tax year. This exemption may not be transferred between spouses. Irish Holders are required, under Ireland's self-assessment system, to file a Tax Return reporting the transfer of their PTSBGH Shares and any chargeable gains realised. Capital gains tax is payable on 15 December in any year for gains realised in the period 1 January to 30 November of that year and on 31 January of the following year for gains made in the period from 1 December to 31 December.

An Individual Holder who is temporarily a non-resident in Ireland may, under Irish anti-avoidance legislation, be liable to Irish Tax on any chargeable gain realised pursuant to the Scheme during the period in which the individual is non-resident.

Irish Holders – corporate shareholders

A Holder that is an Irish Tax resident company, or a company which uses or holds its PTSBGH Shares in connection with a trade carried on by such company through an Irish branch or agency, or otherwise for the purposes of a branch or agency in Ireland, should generally be within the charge to Irish corporation tax on chargeable gains on the transfer of their PTSBGH Shares pursuant to the Scheme.

The Irish chargeable gains will be returned as corporation tax in the corporate Holder's corporation Tax Return and will be payable along with the corporation Tax liability for the relevant period.

Non-Irish resident shareholders

This section applies to Holders who are not resident or ordinarily resident in Ireland for Tax purposes and who do not use or hold, and did not acquire, their PTSBGH Shares in connection with a trade or business carried on by such Holders through an Irish branch or agency, or otherwise for the purposes of an Irish branch or agency. Such Holders should not be subject to Irish capital gains tax on the transfer of their PTSBGH Shares.

(B) Stamp duty

No Irish stamp duty should be payable by Irish Holders of PTSBGH Shares on the transfer of their PTSBGH Shares pursuant to the Scheme.

9.2 UK Tax considerations

The following paragraphs, which are intended as a general guide only, are based on current UK legislation and the current practice of the HM Revenue & Customs (**HMRC**) as at the date of this Scheme Document. They summarise certain limited aspects of the UK taxation treatment of disposing of PTSBGH Shares under the Scheme, and they relate only to the position of individual and corporate PTSBGH Shareholders who hold their PTSBGH Shares beneficially as an investment and who are resident in the UK for taxation purposes. The Tax treatment may be different, and is not considered here, for certain PTSBGH Shareholders such as dealers in securities, those exempt from taxation, insurance companies, collective investment vehicles and those who acquired their PTSBGH Shares by reason of an office or employment (or are treated as having acquired their PTSBGH Shares by reason of an office or employment).

As to the position in Ireland, see under "Irish Tax considerations" above. If you are in any doubt as to your taxation position or if you are subject to taxation in any jurisdiction other than Ireland or the UK, you should consult an appropriate professional adviser without delay.

(A) UK taxation on chargeable gains

UK Holders who receive Consideration under the Scheme for their PTSBGH Shares may be subject to UK capital gains tax (in the case of individuals) or UK corporation tax (in the case of companies) to the extent that, after taking into account any other relief or allowances, the proceeds realised from such disposition exceed the base cost of their PTSBGH Shares plus incidental buying and selling expenses.

UK Holders – individuals

Generally, rates of UK capital gains tax (in respect of the sale of non-residential property such as shares) are 18% for basic rate taxpayers and 24% for higher rate taxpayers but will depend on the level of an individual's Taxable income. Subject to other capital gains arising in the tax year of the disposal of the PTSBGH Shares, individuals will be entitled to an annual capital gains exempt amount which for the 2026/2027 tax year amounts to GBP 3,000. Individuals should note that the annual capital gains exemption is an annual exemption available in respect of the total Taxable gains of an individual for the relevant tax year. This exemption may not be transferred between spouses.

UK capital gains tax is payable on 31 January following the end of the tax year in which the disposal is made (i.e. for disposals made between 6 April 2026 and 5 April 2027, UK capital gains tax would be payable by 31 January 2028).

UK Holders – corporate shareholders

UK resident companies within the charge to corporation tax on chargeable gains will be subject to corporation tax on the proceeds received less the sum of the base cost of their PTSBGH Shares plus indexation allowance and incidental selling expenses (subject to any available exemptions and reliefs).

Please note that 31 December 2017 is the latest date up to which indexation allowance can be calculated. The UK's main corporate tax rate is currently charged at 25% on profits over £250,000. A small profits rate of 19% applies to companies with profits of £50,000 or less and companies with profits between £50,000 and £250,000 pay the 25% rate but can claim a "marginal relief" to reduce the tax liability.

(B) UK Stamp duty and stamp duty reserve tax (SDRT)

No UK stamp duty or SDRT will be payable by PTSBGH Shareholders as a result of the transfer of PTSBGH Shares for cash.

- 5 In the case of a corporation, the Form of Proxy must be either executed under its common seal, signed on its behalf by a duly authorised officer or attorney, or submitted electronically in accordance with Note 4. In the case of an individual, the Form of Proxy must be signed by the appointor or his or her attorney or submitted electronically in accordance with Note 4. - 6 On any other business which may properly come before the Scheme Meeting, or any adjournment thereof, and whether procedural, administrative or substantive in nature (including without limitation any motion to amend a resolution or adjourn the meeting) not specified in this Notice of Scheme Meeting, the proxy will act at his/her discretion.
- 7 If you intend to appoint a proxy other than the Chairperson of the Scheme Meeting, we would ask that, as a contingency measure, you would additionally appoint the Chairperson of the Scheme Meeting as an alternative in the event the initially intended proxy is unable to attend for any reason (and does not appoint a substitute). This will facilitate your vote being included in a wider range of contingent scenarios. If you are appointing a proxy other than the Chairperson of the Scheme Meeting (or any adjournment thereof) or any other officer of the Company, where possible please provide him/her with the Attendance Card that was issued to Scheme Shareholders to facilitate his/her attendance.

A proxy shall provide any Substitute Proxy with a copy (electronic or otherwise) of the Form of Proxy. A Substitute Proxy shall be bound, and act in all respects, as a proxy is and would in accordance with the terms of the Form of Proxy and, on appointment of a Substitute Proxy, all references to 'proxy' herein shall be construed as references to 'Substitute Proxy'.
- 9 In the case of joint holders the vote of the senior who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders, seniority for this purpose being determined by the order in which the names stand on the register of members in respect of the joint holding.
- 10 Persons who hold their interests in Scheme Shares as Belgian law rights through the Euroclear Bank System or as CDIs should consult with their stockbroker or other intermediary at the earliest opportunity for further information on the processes and timelines for submitting proxy votes for the Scheme Meeting via the respective systems. Further information for Euroclear Bank Participants and CREST members holding PTSBGH CDIs is set out below. For voting services offered by custodians holding Irish corporate securities directly with Euroclear Bank, please contact your custodian directly.

Further information for Euroclear Bank System Participants

- 11 Participants in the Euroclear Bank System ("**EB Participants**") can submit proxy appointments (including voting instructions) electronically in the manner described in the document issued by Euroclear Bank from time to time and entitled "Euroclear Bank as issuer CSD for Irish corporate securities" (the "**EB Services Description**"). In accordance therewith, EB Participants can either send:

- (a) electronic voting instructions to Euroclear Nominees Limited (as sole registered shareholder of all Scheme Shares held through the Euroclear Bank System) ("**Euroclear Nominees**") to either itself or by appointing the Chairperson of the Scheme Meeting as proxy:
 - (i) vote in favour of all or a specific resolution(s);
 - (ii) vote against all or a specific resolution(s);
 - (iii) withhold their vote for all or a specific resolution(s); or
 - (iv) give a discretionary vote to the Chairperson of the Scheme Meeting in respect of one or more resolution(s) being put to a vote of the Scheme Shareholders; or
 - (b) a proxy voting instruction to appoint a third-party (other than Euroclear Nominees or the Chairperson of the Scheme Meeting) (who may be a corporate representative or the EB Participant themselves) to attend the Scheme Meeting and vote for the number of Scheme Shares specified in the proxy voting instruction by providing Euroclear Bank with the proxy details as requested in its notification (e.g. proxy first name, proxy last name). There is no facility to offer a letter of representation/appoint a corporate representative other than through the submission of third-party proxy appointment instructions.
- 12 Euroclear Bank will, wherever practical, aim to have a voting instruction deadline of one (1) hour prior to the Company's proxy appointment deadline. However, those holding interests in PTSBGH Shares through the Euroclear Bank System should confirm this deadline with their custodian, stockbroker or other intermediary. Your attention is drawn to the EB Service Description in this respect.
 - 13 EB Participants are strongly encouraged to familiarise themselves with the arrangements with Euroclear Bank, including voting deadlines and procedures.
 - 14 Voting instructions cannot be changed or cancelled after Euroclear Bank's voting instruction deadline. Neither is there a facility to offer a letter of representation or appoint a corporate representative other than via the process of appointing a third-party proxy described above.

Appointment of Proxies

- 3 A member entitled to attend and vote at the EGM is entitled to appoint a proxy to attend, speak, ask questions, vote and demand or join a demand for a poll on his or her or its behalf at the EGM or any adjourned EGM. The process for appointing a proxy depends on the manner in which you hold your interest in the Company. Further detail in this respect is set out below. A proxy need not be a member of the Company. If you wish to appoint more than one proxy please contact the Registrars of the Company, MUFG Corporate Markets on +353 (0)1 553 0050. The return of a Proxy Form will not preclude any member from attending the EGM, speaking, asking questions and voting in person should he/she wish to do so.

APPENDIX

OPINION OF PTSBGH GROUP OF UNIONS

As required under Rule 2.10(c) of the Irish Takeover Rules, PTSBGH has informed its employee representatives of their right under Rule 25.1(b) to have a separate opinion on the effects of the offer on employment, as applicable, appended to this document.

PTSBGH has received an opinion from the PTSBGH Group of Unions, in good time before the publication of this document. This opinion is appended to this Scheme Document on the following pages. Please note that this opinion is not deemed to form part of this Scheme Document.

Proposed sale of PTSB

PTSB Group of Unions opinion submitted pursuant to Rule 25.1(b) of the Irish Takeover Rules

Introduction

This opinion is being submitted by the Unite, FSU and Mandate trade unions which represent PTSB staff.

In 2011, following the financial crash, the Irish state acquired 99.2% of the issued ordinary shares of the company. As the economy recovered, starting in 2015, the state interest was progressively reduced and now stands at 57.5%.

The potential of PTSB to act as a third banking force, in competition with Bank of Ireland and AIB, was strengthened in 2022 with the acquisition of elements of the Ulster Bank retail and SME business in Ireland.

In March 2026, in a move which underlines the bank's fundamental health, PTSB announced the first dividend payment since the financial crash in 2008.

This will represent the only dividend paid to the Irish Exchequer since the bank's bailout.

PTSB currently operates 98 branches around Ireland, including 25 branches previously operated by Ulster Bank.

As of March 2026, PTSB employed 2,918 staff.

It is thanks to the expertise and commitment of PTSB staff – including staff formerly employed by Ulster Bank – that the bank's medium-term targets anticipate growth in Return

on Tangible Equity (RoTE) exceeding 10% and approximately 13% for 2027 and 2028 respectively¹.

In 2025, PTSB recorded total gross loans of €22.6 billion (up 4% on an underlying basis); total new lending of €3.4 billion (up 31%), and customer deposits of €25.6 billion, up 6% (€1.5 billion).

With a tangible book value of just under €2 billion, PTSB is in a healthy state. This is largely due to the expertise and commitment of its workforce, and to the sacrifices made by staff in the lean years following the financial crash, including:

- The loss of a Defined Benefit pension scheme, as well as the loss of a ‘guaranteed’ €125 million set aside for PTSB pensions to ensure the viability of the bank.
- Wage restraint over a period of several years after the crash during which staff received no pay increases.
- The completion of thousands of hours of unpaid overtime by staff across branches and departments following the crash

I. Formal Sale Process

Information and consultation process

On 30 October 2025, unions were provided with the announcement of the commencement of a Formal Sale Process undertaken with the support of the Bank’s largest shareholder, the Minister for Finance. The announcement included the information that Goldman Sachs International had been appointed as financial advisor in respect of the process.

On 18 March 2026, unions were provided with a copy of the announcement released by PTSB on Euronext Dublin and the London Stock Exchange confirming that BAWAG Group AG is one of a number of parties participating in the Formal Sale Process which was announced by PTSB on 30 October 2025.

On 14 April, unions were formally notified that the Board of PTSB had agreed the terms of a Recommended Cash Offer from BAWAG, under which BAWAG will acquire the entire issued share capital of PTSB, subject to shareholder, regulatory and other approvals.

¹ PTSB (2025). *Permanent TSB Group Holdings plc announces Annual Results for 2025*. [online]. Available at: <https://www.permanenttsbgroup.ie/media/press-releases/2026/permanent-tsb-group-holdings-plc-announces-annual-results-2025>.

Unions expect to be fully consulted as this process continues, and to be supplied with all relevant information in real time, including BAWAG'S business plans, long-term strategic plans and expert solvency analyses and opinions.

Minimum union demands for disposal of PTSB

It is the Group of Unions' view that the Minister for Finance, as the current majority shareholder, should publish minimum criteria which BAWAG is required to satisfy.

The transaction must:

- Ensure PTSB's long-term viability as a third banking force, providing real competition for both retail and business customers following the exit of Ulster Bank and KBC from the market
- Maintain the existing branch network and employment levels
- Secure quality jobs into the future, including retention of collectively agreed terms and conditions
- Provide an appropriate return for the Exchequer
- Ensure that the Group of Unions Model and all existing Industrial Relations practices are maintained going forward.

Securing PTSB's long-term viability

"PTSB is well positioned to provide much-needed competition in the Irish market [...] Our "Altogether More Human" brand promise places customer experience at the centre of how we operate — combining the convenience of digital solutions with meaningful human support. This positions PTSB as an experience-led bank committed to challenging the status quo, building tBrust with customers and communities, and becoming Ireland's best personal and business bank through exceptional customer experiences" - PTSB 2025 Annual Report²

The Group of Unions agrees that the focus on customer experience is critical to maintaining and strengthening PTSB's position as Ireland's third-largest full-service retail bank.

That is why, if PTSB is going to provide a real challenge to the two main 'pillar banks', BAWAG must commit to investing in the bank's infrastructure and, in particular, in customer services.

² PTSB (2026). *PTSB Annual Report*. [online] Available at: <https://www.permanenttsbgroup.ie/~media/Files/P/Ptsb-CORP/documents/result-centre/annual-interim/2025/ptsb-annual-report-2025.pdf>.

PTSB staff, including those working in branches around Ireland, are central to delivering a high-quality customer experience and, thus, meeting PTSB's strategic objectives.

Securing quality jobs into the future

A recent survey of union members working for PTSB found that:

- 95.75 % of respondents are concerned or extremely concerned about job losses following a sale
- 94.5 % of respondents are concerned or extremely concerned about potential changes to existing pension schemes and benefits

Where a bank has benefitted from a strengthened balance sheet following government support, there is a strong case for responsible reinvestment in the workforce and in the communities they serve. A stable, highly-trained and appropriately remunerated workforce is fundamental to ensuring that PTSB can continue playing its part in the development of a resilient banking sector that supports long-term economic growth.

It should be noted that PTSB's staff costs of €231 million in 2025 not only supports the bank's long-term growth and viability, but also constitutes direct expenditure in the Irish economy, supporting local businesses throughout the country.

Conversely, any reduction in staff numbers following the sale, and/or any squeezing of pay, pensions and benefits, would cost the state in terms of increased state supports and reduced consumer spending.

The PTSB Group of Unions also stresses that strong collective bargaining structures, such as those that currently exist in the PTSB, are critical to ensuring stability going forward.

Any sale of PTSB must be accompanied by clear commitments to protect jobs, maintain collectively-agreed terms and conditions, and support engagement with the PTSB Group of Unions going forward.

Maintaining the branch network

PTSB currently has 98 branches around Ireland, and it is the unions' view that maintenance of this branch network is crucial to securing PTSB's long-term viability. Physical bank branches are not only central to local communities but are also critical to financial

inclusion, with vulnerable groups and those on low incomes most reliant on the cash services provided by local branches.

At the same time, a strong network of local branches is vital for small and medium enterprises. As well as providing a personalized service, they can facilitate faster decision-making informed by knowledge of the local economy.

The importance of maintaining PTSB's branch network was highlighted in responses to the recent survey of union members in the bank:

- 80.25 % of respondents are concerned or extremely concerned about potential branch closures or a reduction in the branch network.
- 67.5 % of respondents believe that the current branch network is essential to PTSB's long-term success

Type of buyer

PTSB staff surveyed by the Group of Unions are clearly opposed to any sale of PTSB to a private equity buyer:

- 87.5 % of respondents are concerned or extremely concerned about the potential sale of the bank to a private equity firm

The clear preference of PTSB staff is for the bank to be sold to another bank or financial institution:

- 56.5 % of respondents would prefer PTSB to be sold to another bank
- 20.25 % of respondents would prefer PTSB to be sold to a financial institution
- 13 % of respondents would prefer PTSB to be retained in majority State ownership

It is reasonable to assume that the staff preference for PTSB to be sold to another bank or financial institution is premised on the assumption that such a buyer would continue working to secure PTSB's position as Ireland's third banking force going forward.

That, in turn, is premised on maintenance of the current branch network and headcount, which are critical to ensuring PTSB's long-term viability.

Need to provide an appropriate return for the Exchequer

The unions note that PTSB staff have a stake in the bank's future not only as workers but also as taxpayers.

In 2011, the then Permanent TSB received a €3.9bn bailout from the State, of which it has repaid approximately €2.8bn, a large portion of which came from the €1.3bn sale of its former Irish Life pensions and life assurance unit.

PTSB is currently the last bank still in partial State ownership, with the Government fully exiting its stake in AIB in early 2025.

When announcing the proposed sale of PTSB, then Finance Minister Paschal Donohoe stated that:

A sale of the State's investment would be consistent with the objective of recovering taxpayer funds that were used to rescue the Irish banks and deploying these to more productive purposes³.

It is the unions' view that mere 'recovery of taxpayer funds' is too narrow an objective. The potential return to the Exchequer from a sale of PTSB must be measured against the loss of the final bank in State ownership, and thus the loss of a state-controlled bank which could help further public policy objectives, ranging from strategic lending to SMEs to investment in housing, rural development and measures to combat financial exclusion.

To compensate for that loss, in addition to the short-term return, the final assessment of BAWAG's offer must include factors such as the long-term social and economic value of maintaining and strengthening PTSB as a third banking force, including the maintenance of the existing branch network, as well as the preservation of good jobs in local communities.

The incoming owner must prioritise sustainable productivity gains through investment in technology, training and improved processes over job cuts or erosion of terms and conditions. Meaningful consultation with unions will be critical to ensure that any restructuring plans consider the impact on workers, customers, and communities.

³ Department of Finance (2025). *Response from Minister Donohoe to the announcement made by Permanent TSB Group Holdings plc regarding the commencement of Formal Sale Process ('FSP')*. If the criteria outlined above are not met, it is the view of the PTSB Group of Unions that the Government should retain its majority stake in PTSB, and should further develop the bank as a strategic asset.

II. Group of Union's opinion on BAWAG as a potential purchaser of PTSB

On 14 April, unions were formally notified that the Board of PTSB had agreed the terms of a Recommended Cash Offer from BAWAG, under which BAWAG will acquire the entire issued share capital of PTSB, subject to shareholder, regulatory and other approvals.

BAWAG background

BAWAG traces its history back to 1922 and the establishment of a 'workers' bank' to provide finance to trade unions. Following its forced closure by the National Socialist regime in 1934, the bank reopened in 1947 and was renamed "*Bank für Arbeit und Wirtschaft*" (Bank for Labour and Business) (BAWAG) in 1963.

In 2000, BAWAG took over the Austrian Postsparkasse (Postal Savings Bank) from the Austrian government with the PSK integration being completed in 2005. It has continued to benefit from the Postsparkasse legacy: as legal successor to the former state bank, it continues to hold significant government contracts for payment transactions

In 2006 – well before the financial crash – the Austrian government had to bail BAWAG out to the tune of €900 million after the bank had to pay \$625 million to settle claims with creditors related to the bankruptcy of the New York brokerage firm Refco⁴.

In 2007, BAWAG was acquired by Cerberus Capital Management. A restructuring programme introduced in 2010 saw the loss of up to 700 jobs⁵.

In 2017, BAWAG was listed on the Vienna Stock Exchange.

Notwithstanding Cerberus exiting from BAWAG, senior management put in by Cerberus remained in place, with Anas Abuzaakouk becoming CEO. Chief Risk Officer David O'Leary also has a background with Cerberus.

BAWAG's core markets are Austria, Germany, Switzerland, Netherlands (DACH/NL region), Western Europe and the United States. Their stated focus is on organic growth, mergers and acquisitions, and minority investments.

Following the financial crisis, BAWAG undertook a number of major acquisitions as outlined below.

BAWAG solvency and management

In February, BAWAG reported a full year pre-tax profit of €1.16 billion for 2025, up 17% on 2024. Its revenues for the year rose by 36% to €2.2 billion.

BAWAG reaped a net profit of €860 million in 2025, and expects this to exceed €960 million in 2026, €1.1 billion in 2027 and €1.2 billion in 2028¹⁵.

The company anticipates over €1.5 billion excess capital by 2028 (net 55 % dividend payout ratio).

That strong performance has continued into the first quarter of 2026¹⁶.

The PTSB Group of Unions has, however, noted with concern the 2023 report by financial advisory firm Petrus Advisors which concluded that:

“Following the failures and emergency rescues of Silicon Valley Bank, Signature Bank, Credit Suisse and First Republic Bank, we filtered our coverage universe for warning signals that fuelled the downfall of these banks. BAWAG stood out due to its degrading franchise and angry clients pressuring funding and market shares, its weak risk management and unethical compensation while lacking independent oversight. Due to the lack of an engaged shareholder base and a functioning supervisory board, we think BAWAG needs an intervention from the regulator and should not be allowed to distribute capital until the franchise has stabilised with necessary leadership changes”¹⁷.

The Petrus report was clearly taken seriously enough that BAWAG felt it necessary to issue a response¹⁸.

Notwithstanding the time that has passed, the PTSB Group of Unions would urge shareholders, including the State, as part of due diligence when making a final assessment of BAWAG's offer, to conduct a full appraisal of BAWAG's current operation against the concerns raised by Petrus.

BAWAG footprint in Ireland

A branch of BAWAG PSK was established in Dublin in 2023 to support their credit and retail business. Redundancies were implemented following BAWAG's acquisition of Dublin-based DEPFA (which was already being wound down) in 2021. In 2025, there were 16 FTE employees in Ireland.

The trading name of BAWAG's Dublin branch is MoCo¹⁹. BAWAG bought the company behind MoCo in 2023 for the nominal sum of €35: *"While it was originally envisaged that investors would get €1.2 million for the business, Bawag subsequently cut its offer to €350,000 to cover what MoCo owed to various creditors, leaving [Irish] investors with nothing"*²⁰.

In January 2026 it was reported that BAWAG was in exclusive talks to buy Finance Ireland, but on 12 March the Irish Times reported that talks had broken down²¹.

At the end of 2025, Ireland accounted for 26 % of BAWAG's investment book, and BAWAG made a pre-tax loss of €3.6 million in Ireland.

BAWAG employee relations

BAWAG has a Works Council in Austria and a current European Works Council Agreement²². Four Works Council nominees sit on the BAWAG Supervisory Board.

BAWAG has a collective agreement with the Austrian GPA union.

²² European Works Council database <https://www.ewcodb.eu/>

Their current collective bargaining coverage, as detailed in BAWAG's 2025 Annual Report, is as follows: Germany (78.6 %), Austria (97.0%) and Netherlands (99.6%).

However, the PTSB Group of Unions notes the following statement in the 2023 Petrus Advisors report cited above, which highlighted what they referred to as *'management's compensation bonanza'* and employee concerns reflected on Glassdoor: *'Employees are openly discontent about customer dissatisfaction, poor career opportunities and large compensation gap to senior management as well as management running the business from the US'*.

These concerns are reinforced by anecdotal reports by former Knab and Barclays Germany employees on Reddit warning that, in the wake of an acquisition by BAWAG, employees can expect significant layoffs with limited consultation²³.

It should also be noted that, while BAWAG has a collectively agreed *Sozialplan* in Austria (including for, e.g., voluntary severance), the terms of this appear to be inferior to those collectively negotiated by unions in PTSB.

BAWAG bid and return to the taxpayer

BAWAG has offered approximately €1.6 billion for PTSB. This would be a 5 per cent discount to the bank's market capitalisation and below book value.

As noted in the media, such an offer is below most analysts' price targets for the stock. However, it would be in line with what has been described as *"BAWAG's well-worn acquisition playbook, which is to buy at a discount, strip out costs and quickly enhance profitability"*²⁴.

In this regard, the unions note that analysts Carraighill have advised private shareholders to block the sale due to what they termed the *'derisory' price*²⁵.

The GOU's are extremely concerned about the track record of BAWAG, as reported online, in 'gutting' institutions with staff bearing the brunt post-purchase. This will not be accepted by the GOU and so there is a serious onus on BAWAG to immediately provide greater assurances to staff, customers and shareholders, as outlined in this document, if they wish the sale to proceed.

In response to the survey cited above conducted by the Group of Unions, PTSB staff expressed a strong preference for PTSB to be acquired by another bank or other financial institution, rather than a private equity firm.

This preference is clearly premised on the assumption that another financial institution will move to consolidate and grow PTSB's position as a third banking force, thus providing lasting value to the Irish economy and local communities.

However, in light of BAWAG's track record of restructuring acquisitions at the expense of jobs and branch offices, the Group of Unions has significant reservations regarding the proposed sale of PTSB to BAWAG.

Taxpayers – including PTSB workers - spent €3.9 billion to bail out PTSB in 2011. PTSB's current financial health is due to the commitment and expertise of staff.

BAWAG's offer of approximately €1.6 billion would leave the taxpayer approximately €300 million short of recouping the money originally spent to bail out PTSB.

If PTSB is to be sold at an effective discount, the taxpayer, local communities and PTSB staff must receive assurances regarding the bank's long-term future in Ireland's banking landscape.

Unions note BAWAG's statement on 14 April that *"The proposed acquisition would combine local expertise with BAWAG Group's balance sheet strength and operational capabilities"*²⁶.

That local expertise – the combined expertise of all PTSB staff members – is rooted in a strong national branch network. Any attempt to reduce that branch network will hollow out the expertise which is vital if PTSB is to develop into a real third banking force and offer an effective challenge to the two established 'pillar banks'.

In particular, the transaction must satisfy the following requirements:

²⁶ BAWAG press statement, 14 April 2026 [online] Available at: <https://www.bawaggroup.com/resource/blob/140276/03344b106a378e9624d95229e413da6c/20260421-bawag-group-q1-2026-release-data.pdf>

GROUP OF UNIONS REQUIREMENTS FOR SALE OF PTSB TO BAWAG

- A commitment on the part of BAWAG to invest in PTSB processes and customer experience with a view to developing the bank as a real challenger to the two existing ‘pillar banks’
- Assuming that the transaction is completed, any review conducted by BAWAG to include full participation of the Group of Unions at each stage
- Any restructuring to be subject to mandatory and meaningful consultation with PTSB Group of Unions at each stage
- Maintenance of existing branch network as opposed to the ‘*meaningful branch footprint*’ referenced in 2.2.3 of the Transaction Agreement between BAWAG and PTSB published on 14 April 2026
- No reduction in headcount beyond collectively agreed voluntary redundancies in process at the time of sale
- Commitment to maintenance of existing industrial relations practices and the established Group of Unions Model
- Adherence to all existing collective agreements and collectively negotiated terms and conditions including but not limited to: pay and benefits, Ulster Bank TUPE agreement, existing pension scheme, performance reset, on-all policy and allowances, access agreements and any other negotiated policies and agreements, and the value of the redundancy scheme as collectively negotiated in 2024
- All existing collectively negotiated terms and conditions to be viewed as a minimum baseline pending further improvement
